# MEMBERSHIP FORM

Members have access to LBCCG services and technical support, access to funding opportunities, and are covered by our insurance while undertaking projects and related activities (all project participants must be members of the group).

Members receive regular updates, newsletters and items of special interest, and can use LBCCG as a first point of contact and assistance with farming and environmental concerns and queries (including weed identification etc).

Importantly we value your knowledge and experience which assists us to improve our service to the local Maleny community and beyond.
