## Attachment 2: LBCCG Coordinator Report

### Current Projects

#### **Bridge Creek Rehabilitation (McLauchlan)**

- The 2010 Community Action Grant was due to be completed (the Grant component) on June 30.
- The site, despite suffering damage during the January floods is performing quite well with Barung Landcare currently performing maintenance and replanting.
- LBCCG will take over the maintenance of the site once funding has been exhausted.
- Preparation for the new revegetation site has commenced with planting scheduled for September or when weather permits

#### **Bridge Creek Landslip Remediation (McLauchlan/Bull)**

- Final Report & Acquittal has been completed and sent to Council
- Project has proven to be successful at this stage although we will be better able to gauge the success (or otherwise) in 5-10 years' time.

#### **Arley Creek wetlands (Stevens)**

- Fencing has been completed on this project and Peter has completed his part of the project – repairing and modifying the dam wall and spillway.

#### **Green Jobs Corps 2010**

- Final Report has been completed and is awaiting comment from the GJC Team Leader. The value of this project has been estimated at approximately \$80,000.

#### **Cork Dairies Laneway Rehabilitation (Cork)**

- The Event Monitoring trailer has been installed on Col Corks as part of this project.
- The laneway hardening component of the project is expected to commence in the near future.

### Project Development

#### **Upper Lawley Creek**

- Discussions with Sunshine Coast Council about working together in this area on adjoining properties.

### Other
